Want to Write Something?

The Woodlands newsletter provides a community service by keeping neighborhood residents informed about issues and events of interest. We encourage Woodlands residents to submit articles for the newsletter and we regularly receive articles that are published in the newsletter.

If you would like to contribute an article, please contact us and we will be happy to work with you to help get it edited and published. Our publication guidelines are relatively simple – topics should be of interest to Woodlands residents, the newsletter can not be used as a forum to air issues between individuals, and articles may need to be edited to fit within available space (typical length is 200 words or less). To meet our publication schedule for a monthly newsletter, we have established a closing date of the 10th of each month. To the extent that space is available, articles received and ready for print by the 10th of the month will be published in the next version of the newsletter.

We appreciate your help in making the newsletter as informative, useful, and relevant to Woodlands residents. To submit an article, please write to woodlandsassn@yahoo.com.

Woodlands Annual Food Bank Drive

Dear Friends,

I am taking this opportunity to personally thank you for your most generous donation to our spring food drive. The response from our Woodlands friends and neighbors was overwhelming. With our combined efforts our neighborhood donated over 454 lbs. of food and \$125.00. This equates to 363 meals and another 1,250 lbs. of fresh produce! The Food Bank is currently feeding 130,000 folks each month, and with each of us giving a little we are collectively feeding a lot. Your caring and thoughtful contribution is greatly appreciated by the Contra Costa Food Bank and our community. Thank you for allowing Keller Williams Realty and me the opportunity to carry on this most worthwhile tradition.

Sincerely,
 Dayna Wilson

Pancake Breakfast Stacks ‘Em Up Again

By Elsie Witt

On a sunny spring day, May 8, families gathered at the Woodlands Cabana Club to observe the annual Pancake Breakfast. While a couple of parents cooked delicious pancakes, others welcomed neighbors, dished out pancakes, fruit, juice and coffee.

For some neighbors it was a first look at the refurbished pools and deck which were recently completed. The diving pool has a new diving board, one instead of two, so swimmers can dive from the edge of the pool into the deep water, instead of the shallow end of the pool, according to Polly Bradbury, Fund Raising Chair. Besides resurfacing the pool, a new tile edge was added to replace the deteriorating one. The baby pool was also resurfaced, and some concrete areas which were raised from tree roots were replaced. Additional concrete pads were added near the diving pool. The overall effect is a much safer and more enjoyable facility for our families and children to enjoy their swimming.

Valle Verde pupils Anastasia and Katelyn with Lauren and Tory, Foothill students

Everyone dive into the newly refurbished pool!

College Tips

By Valerie Poettgen

While many neighbors in the Woodlands worry about elementary, middle, and high school... The next challenge is that of college. As a senior at the California State University, East Bay at Hayward, I have a few tips for motivated youngsters, in light of recent higher education budget cuts.

-STUDY, STUDY, STUDY!

While a higher G.P.A. doesn't ensure college admission, you can broaden your horizons and gain the knowledge you'll need in your higher education

-THINK ABOUT WHAT YOU LIKE TO DO

Don't concentrate on picking a major before you even enter college. The more classes you take, the more likely you are to find your true passion

-SEEK OUT SCHOLARSHIPS

Sometimes all it takes is a personal interest about a particular issue and a short essay to score money for college

-DO A LITTLE BIT OF EVERYTHING

Like to sing? Join a choir. Play a sport? Keep it up. Not only do these activities make you a well-rounded individual, they aid in setting you apart on a school admission as well as later in life

Good luck!!

MDUSD BOND MEASURE C

Measure C is a school bond measure that will be in front of local voters on the June 8, 2010 primary election funding projects at every school in our district.

With 21st century learning in mind, technology infrastructure will be upgraded throughout the district and every school will have money for classroom technology. All middle schools will receive upgrades to their science classrooms, and basic repairs to roofs, flooring and windows will be made. Visit mdusd.org, select the "community" tab and then select "June 2010 Bond Measure C" for a full listing by school site of proposed Measure C projects.

Measure C requires 55% voter approval to pass - and polling shows we can win if we all pull together. We're excited about this chance to help our local schools and hope you'll join us.

Please visit www.protectourlocalschools.org to learn about the details, then endorse, donate or sign up to phone bank and walk. Foothill Phone Banking Night on Thursday, May 13th at 2700 Ygnacio Valley Rd, Suite 250. Contact Faye Mettler at gmettler@astound.net to participate.

Our students are counting on you. We hope you'll join us in working to pass Measure C! Measure C Regional Leaders: Jenny Reik, Kish Rajan, Linda Mayo, Mark Celio, Faye Mettler, Linda Ortega, Carlyn Obringer and Chris Stieger-Maguire.

NORTHGATE MARCHING BAND WANTS YOU!

Come play in the Northgate Marching Band!

Our Band recently visited Foothill and shared their enthusiasm for playing in the Marching Band.

Marching Band is a golden opportunity for students entering Northgate to meet and become friends with upperclassmen before school starts. Marching Band Camp introduces students to all the basics of marching, playing while marching, and gives students their first taste of the wacky traditions and friendships that make Marching Band a social (and educational) experience not to miss.

The Marching Band season starts on August 9th with MB Camp (a two week daytime camp), and ends in mid-November. Band and Drum line participants must be enrolled in a Northgate music class. Members of the Auxiliary Units (flag twirlers) do not need to sign up for music class.

Learn more about Northgate Marching Band by visiting the NIMB website <http://www.northgatehs-pfc.com/nimb.html> (check out the "Photo Gallery") or email npainter@astound.net.
