Woodlands Board Elections are Coming

The Woodlands Board of Directors is made up of four elected and several appointed positions. As required by the by-laws, the elected positions serve two-year terms. Because of limited membership on the Woodlands Board in the past, many of these positions have been filled by appointment, as allowed by the By-Laws.

The July 2008 newsletter will include a ballot that will allow Woodlands residents to vote for Secretary for a two-year term. The Secretary maintains all records for the Board, including legal documents, meeting minutes, and other related written actions.

All residents of the Woodlands over the age 18 are eligible for elected or appointed positions on the Woodlands Board of Directors. Interested candidates for Secretary should prepare brief (up to 200 words) statements of interest to the Woodlands Board for consideration. Statements of interest for eligible candidates will be printed in the June 2008 newsletter. All submissions should be sent to the Woodlands Board at woodlandsassn@yahoo no later than May 2, 2008.

Get Involved in Our Community

In addition to candidates for elected positions, the Woodlands Association is seeking board members to help support general needs. As many of you know, we are an all-volunteer organization dedicated to improving the quality of life in the Woodlands through civic activities. All Woodlands residents over the age of 18 are eligible to serve on the Board. Currently, we are seeking individuals with interests in communications, advertising, financial management, and community outreach. If you or someone you know is interested in helping, please contact us at woodlandsassn@yahoo.

It Takes a Village to Build a Pool

A year ago a lap-a-thon was organized to help the Northgate Community Pride Foundation raise money to build an Aquatic Center. Over \$9,000 was raised. Due to its success the 2nd Annual Lap-A-Thon will be held on Saturday, May 3, 2008 at the Woodlands Cabana Club. Anyone can swim. There is no minimum or maximum number of laps required. If interested in participating arrive any time between 9 – 12 noon the morning of the 3rd, join in on the fun and get that wonderful feeling of community pride as you swim towards this ever-so-needed Aquatic Center. Lap counters and refreshments will be provided. If you are unable to participate that morning, you may swim laps on your own time and mail the sponsorship money to me. If you have any questions, or need a sponsor record form, please e-mail or phone Jan Dolliver: jandolliver@hotmail.com, 937-1668. Thanks for your support!

Girl Scouts

Thank you to all Valle Verde Girl Scout Leaders for making a difference in our community. Through your efforts, you help make Valle Verde an even greater school and you enrich the lives of young girls. Because of you, girls help to Save the Bay; girls go camping and learn to live outdoors; girls learn about finances through cookie and nut sales; girls learn about compassion and giving of their own time to help those in need; girls try new things that their families would never dream of doing and girls learn to be leaders as they grow with Girl Scouts and take on decision-making duties. Because of your leadership, Girl Scouts has become a force to rely on in times of need.

Parents and neighbors, April is Girl Scout Leader Appreciation Month. Look to these women and thank them for their devotion to your daughters and to our community. Thank you to Valle Verde Leaders: Julie Hicks, Jennifer Shaon, Erica Randall, Paulette Bruzzone-Witucki, Shannon Miller, Michelle McGowan, Julie Allen, Eileen Duval, Kirsten Cherry, Carla Rinella, Stacy Woodworth, Sherri Graves, Susan Blumer, Carol Carter, Beth Coyle and Karen Martz.

Parents, the Girl Scouts Organization offers a terrific opportunity for your daughters to learn self-confidence, leadership and responsibility. There are benefits to parents as well who want to offer their talents in grooming tomorrow's young women. If you and/or your daughter are interested in being part of a terrific organization, you can contact Gloria Bertolozzi at gbertolozzi@yahoo.com or 925-944-7009. We are always looking for leaders and girls at every level!

CRIME PREVENTION - NEIGHBORHOOD WATCH PROGRAM

Our Walnut Creek Police Department offers a comprehensive crime prevention program available with the purpose of reducing crime in our area.

According to the crime report, our Woodlands community is not immune to either burglaries or vandalism.

The Neighborhood Watch Program is a successful effort that has been in effect for over thirty years in towns, cities and rural areas across the country. Based on the concept of cooperation, neighborhood watch programs bring together law enforcement, city officials and residents and ask them to work together to provide protection for their homes and communities. Crimes such as burglary, vandalism and mischief threaten every member of each community in Walnut Creek and crime watch efforts such as The Neighborhood Watch Program help discourage this type of activity. Supported by the National Sheriff's Association since 1972, the Neighborhood Watch Program is helping the public eradicate residential crime in their neighborhoods.

Also called Crime Watch, Block Watch, or Community Watch, the program's success is based on the commitment of the public and their local police department in Walnut Creek to work together to observe, report and dissuade crime in their communities. Residents not only take care of their own homes and businesses, but also those of their neighbors. By taking an active role in the protection of their families and possessions, residents are better able to discourage criminal activity and keep their neighborhoods safe.

There are thousands of neighborhood watch programs across the United States in which citizens work together to make their homes and communities less inviting targets for crime. The program is considered by many to be one of the most successful ways in which the members of various communities can help one another to reduce residential crime. Active participation among the public and local law enforcement is an essential element in a successful neighborhood watch program.

This program is very easy and not time consuming. It is most effective on a small scale; for instance, one block. You can start a group by sending an invitation to the neighbors on your block (a sample invitation is in the packet given by the Police Dept). Once a Neighborhood Watch group has been formed, the Walnut Creek Police will train residents on both recognizing and reporting suspicious activities around the neighborhood. In addition, the police will offer recommendations on preventing crimes from happening in our community.

If you are interested in hosting/organizing a crime prevention meeting, please call Crime Prevention Coordinator, Amy Doyle at 943-5885.
