Cabana Club Corner

The second annual Casino Night was held September 7 at the Cabana Club. The pool was transformed into a Monte Carlo atmosphere thanks to the superb decorating efforts of Patty and Roger Cochran. Thanks, Patty and Roger, for your creativity and enthusiasm!

All who attended had a great time testing their gambling ability against the professional dealers while enjoying the delicious offerings at the hors d'oeuvre table. An event of this magnitude could not have been possible without the sponsorship of many companies within the Woodlands area and dedicated assistance of club members.

The following list of businesses donated generously to make this event the financial success that it was. As a Woodlands community, we owe our deep appreciation to these sponsors and the board asks that you may every effort to give them your patronage.

A great deal of effort goes into a function such as Casino Night. The board wishes to thank the following people for their support:

Roger & Patty Cochran
Mike & Mindy Killin
Gerry & Karyn Ossinger

Rich & Carolyn Hiland
Ed, Debbie & Jason Jelich

THANKS ABOVE ALL TO JOHN AND LINELL ROONEY FOR THEIR TIRELESS EFFORTS NOT ONLY WITH THIS FUNCTION BUT FOR THE ENTIRE YEAR. THOSE OF US ON THE BOARD ARE KEENLY AWARE OF THE MANY HOURS JOHN AND LINELL HAVE DEDICATED TO OUR CABANA CLUB. A HEARTFELT "THANK YOU" TO YOU BOTH!

We would also like to thank the people who came out to support this event. Without your contribution, the Cabana Club would not be able to maintain its capital expenditure program to make the club a safe and healthy environment for its members. To those who could not attend, you missed a great opportunity to express your support for the Cabana Club, but no doubt you will look forward to next year's event.

REWARD

It is with a great deal of concern that we wish to report to you two recent incidents at the Woodlands Cabana Club. On August 22 and September 22 the club was vandalized. Indications are that the same person or persons may be responsible for both incidents. These are not just minor events as there was over \$8,000 worth of items stolen and property damaged. Some of the items stolen include a microwave oven, air compressor, stereo, amplifier, telephone answering machine, two mountain bicycles, membership rolodex file, bull horns, radio, ladders, and other assorted items. Additionally, damage to the building was extensive.

The Walnut Creek Police believe the vandal(s) are from the surrounding area, presumably someone who knew the club and its layout. It is unfortunate that incidents like these happen even in a quiet, close community like the Woodlands.

In view of the foregoing, the Woodlands Cabana Club board is offering a \$100 REWARD for information leading to the apprehension and conviction of the person or persons responsible for the robberies. Should you have any information that could be helpful,

please contact John Rooney (930-8364). Your name will be held in strictest confidence.

Please help us with a serious problem that is damaging property at Valle Verde. Skateboarders are skating on our benches, tables, exterior stage, rooftops, and ramming into our buildings. The estimated damage to school property this year amounts to approximately \$2,200. Please talk to your children about the damages at Valle Verde. Older children (ages 11 - 17) have been observed causing damage to our facilities. They are good about
